7th Grade End of Year Awards

As we have done in the past, students in the 7th grade will be honored by their teachers for academic and service accomplishments. This year's 7th grade awards assembly will be held June 14th, 2017 in the gymnasium. This assembly is a time to celebrate the ac-

complishments of all students and highlight some specific areas of achievement. Parents of students receiving an award will be getting a letter with details about the assembly including the type of award, where to sit and what time to arrive.

5th/6th Grade End of Year Awards

Fifth and sixth grade students will gather by team to recognize those who have reached Honor Roll and Distinguished Honor Roll for each of the first three marking periods of the 2016-2017 school year. All parents are welcome to attend the appropriate assembly held in the cafeteria. For a schedule of days/times, please refer to the "Upcoming Events" portion of this newsletter. Select students will also be presented with "Citizenship" and "Scholarship" awards. Parents of those students will receive correspondence from their child's teacher regarding the award and assembly details. Congratulations to ALL students on a successful 2016-2017 school year!!!!

The Nurses Whipped Up Another Great Idea!

- Single serve water, Propel, Gatorade, or juice boxes
- Or single serve cereal boxes
- Manual can openers

We are teaming up with Open Door to provide local families with these items to promote health. Our drive will run May 1st through School Nurse Day, May 10th!

If you would like to support our cause, have your student bring in an item and put it in the box in the nurse's office. Thank you for helping Spring Ford Nurses make another difference!

6th Grade To Visit Hershey Park

On Thursday, 6/8, sixth grade will be visiting Hershey Park. Students should ride their normal bus to school, but will need to be picked up by a parent/guardian from the 10-12 Center later in the evening. An automated message will be sent upon your child's departure from Hershey so you have a good idea of what time they will be arriving at the 10-12 Center. In an effort to alleviate traffic congestion, parking issues and frustration, please do not arrive at the 10-12 Center until you are advised to do so....more detailed information is forthcoming.

7th Grade Mermaid Lake Trip Scheduled

On Friday, June 9th, the 7th Grade will participate in their annual end-of-year picnic at the Mermaid Lake swim club in Blue Bell, Pennsylvania. Mermaid Lake features a million-gallon swimming pool with a full-size water volleyball court, waterslides, and a water playground. On this day, students will also have access to basketball and tennis courts, a whiffle ball field, softball fields, playgrounds, and for an few additional dollars, miniature golf. Students will be treated to a barbecue lunch of hamburgers, hotdogs, soda, ice tea, chips, pretzels, and ice cream. Participating students are reminded to bring a towel if they plan to swim and suntan lotion for the day. Students are permitted to bring recreational items for the picnic such as lacrosse sticks, baseball gloves, Frisbees, radios, or Ipods. This trip is always a lot of fun and a great way to celebrate the hard work and learning that took place in 7th Grade.
